Holiday Lights and Fire Safety

- Tip #1 – When baking, keep kids and flammable items like kitchen towels away from the oven.**
- Tip# 2 – Always unplug all the electrical items connected to your tree before leaving home or going to bed.**
- Tip #3 – Keep flammable items at least 3ft. from your candles, and put the candelabra on a non-flammable surface.**
- Tip #4 – Make sure the fire in the fireplace is completely out before going to sleep.**
- Tip #5 – Make an emergency plan to use if there's a fire in your home!**

We are happy to answer any other questions regarding safety measures during the Holiday Season. Please give us a call!
